To The City Of Wildwood Water Utility:

Application is herewith made for water service, subject to the rules, rates and regulations of the Water Utility, with which I am acquainted. I agree to pay the annual charges until the first day of January next, and thereafter from year to year until either party hereto gives to the other thirty days' notice in writing of a desire to terminate this application. This application will expire six months from the date of issuance of the approved Water Commitment if either the tap has not been scheduled or other prerequisite conditions have not been met. The application process will be reviewed within four (4) weeks.
